

POSITION DESCRIPTION

Title: Head Coach
Context: Talent Development (TalDev) Teams
Age Groups: All U12 Teams, and U14 (Silver & Bronze) Teams

Reports to: Performance Program and Pathway Manager

Position purpose:

- a)** Support the GOLD coach with selection of age group teams;
- b)** Prepare SILVER/BRONZE Team for BQJBC competition and age group State Championships in all aspects of the preparation, competition and post-season phases.
- c)** Positive Youth Development of selected athletes in the areas of Character, Competence, Confidence and Connectedness reflecting the expected proficiencies of a Brisbane Capital Representative Player.

Directly supervises: Assistant Coach and Team Manager

Primary Responsibilities:

1. Develop and grow each athlete's Character and Performance in the areas of
 - 1.1. *Character*: values of the Brisbane Capitals,
 - 1.2. *Competence*: holistic skill and tactical development,
 - 1.3. *Confidence*: ability and appropriate opportunity to apply skill in competitive environments
 - 1.4. *Connectedness*: clearly defined and accepted roles
2. Design a competitive pre-season schedule that maximizes athlete development and performance in preparation for Grading.
3. Support the GOLD coach in the Planning and Coordination of the selection of all age group teams (talent confirmation and talent development) as per the Team Selection Policy and guidance of BBI personnel. Maintain selection notes/documentation on key aspects of the process.
4. Conform to the highest standards of professional conduct regarding compliance with BBI and BQ policies and procedures and adherence to the rules and regulations of BQ and BA of which BBI is a member
5. Undertake a schedule of goal setting (or performance profiling) with each athlete including a mid and end of season review/evaluation with identified areas for each athlete to work on for improved performance (during and post their involvement).
6. Commitment to continual improvement as a student of the game in all areas of coaching including as a teacher, instructor and game/competition strategist
7. Provide strong leadership in the personal development of athletes as demonstrated by high standards of behavior and good public speaking skills of all team members
8. Develop and supervise assistant coaches toward developing their coaching capabilities and supporting all program objectives
9. Keep an attendance record throughout the season and monitor athlete attendance in accordance to agreed team attendance requirements.
10. Monitor athlete performance and behaviour in line with the end of year team awards, including consultation with coaching staff and the collection of data if necessary
11. Set, Maintain, and Model team discipline in line with the Above the Line Caps Behaviours such as sportsmanship, respect, body language, dress standard, fair play, language
12. Maintain poise, showing strong patience and confidence at all times, especially during games. Remember there are words that you do not have to be a lip reader to understand.

13. Contribute to the maintenance of good working relationships with all BBI and Team staff, athletes, parents, and external constituents through (a) a positive and constructive approach to all tasks, (b) respect for the competencies of others, and (c) appropriate conflict resolution behaviour.
